developing countries lose billions each year through bribery misappropriation of funds and other corrupt practices much of the proceeds of this corruption find safe haven in the world s financial centers these criminal flows are a drain on social services and economic development programs contributing to the impoverishment of the world s poorest countries many developing countries have already sought to recover stolen assets a number of successful high profile cases with creative international cooperation has demonstrated that asset recovery is possible however it is highly complex involving coordination and collaboration with domestic agencies and ministries in multiple jurisdictions as well as the capacity to trace and secure assets and pursue various legal options whether criminal confiscation non conviction based confiscation civil actions or other alternatives this

process can be overwhelming for even the most experienced practitioners it is exceptionally difficult for those working in the context of failed states widespread corruption or limited resources with this in mind the stolen asset recovery star initiative has developed and updated this asset recovery handbook a guide for practitioners to assist those grappling with the strategic organizational investigative and legal challenges of recovering stolen assets a practitioner led project the handbook provides common approaches to recovering stolen assets located in foreign jurisdictions identifies the challenges that practitioners are likely to encounter and introduces good practices it includes examples of tools that can be used by practitioners such as sample intelligence reports applications for court orders and mutual legal assistance requests star the stolen asset recovery initiative is a partnership between the world bank group and the united nations office on drugs and crime that supports international efforts to end safe havens for corrupt funds star works with developing countries and financial centers to prevent the laundering of the proceeds of corruption and to facilitate more systematic and timely return of stolen assets

discussing the software related issues necessary to design an effective network this book suggests the best third party solutions and shows how to implement them it also takes on software issues such as backup printing gateways creation of internet services file sharing and scheduling a cd rom is included with the text

overcoming obstacles is a short non fiction novel composed to encourage women men and children to never give up the purpose of this book is to encourage readers to remain in prayer persevere and stay connected to god in the dry lonely seasons of life valerie believes that jesus christ is the son of god and because of his sacrificial love at calvary every obstacle that we face as his children has already been defeated this book is a story of valerie s personal journey and testimony of multiple obstacles that she has encountered in addition to a self help tool to assist readers in overcoming their personal obstacles

for centuries millions of people have struggled in their efforts to deal with adversity and obstacles in their lives many people have failed to recognize and pursue potentially life changing opportunities that have crossed their paths not realizing long term impacts that their languishing has had on themselves their families and others when people haphazardly meander through life they may be falling short of fulfilling their destiny that is until overcoming obstacles and living your dreams unveils the secrets and artillery necessary to bring about positive change now as a motivational speaker and an advocate of socio economic development the author believes that achieving and sustaining success in all areas of your life is not only possible but more readily attainable than ever this book will encourage develop and equip you to face and overcome obstacles as you apply the principles provided herein you will experience a transformation within yourself your perception about life and your ability to embrace it will change you will view adversities in your life differently and use them as opportunities to grow

the perfect book for anyone struggling with life or their faith why is my path so difficult all of us have asked ourselves that same question from time to time believers sometimes begin to doubt their faith because their life is filled with so many obstacles they want to know why god lets them struggle skeptics often see obstacles as confirmation that god doesn t exist or if he does he doesn t care about them if you have ever felt this way this inspirational book is for you inside you will discover the nature of life s racehow to overcome the obstacles we

face how to stay steadfast relying on god's strength and power how to be patient through it all how to slay the giants in our life the power of prayer to soothe the soul and deliver us from danger why we have no reason to fear the best ways to get in spiritual shape overcoming obstacles shows that life is a race filled with struggles and obstacles these things are not here to punish us but to teach us once we learn that we cannot make it on our own we allow god to guide us it is only through his power that we are able to overcome any obstacle if you or someone you love is on the verge of a spiritual heart attack or if you need an injection of faith to keep going this is the book for you it will help you to make sense of the challenges in life and show how each of us can get back into the spiritual shape we need to finish the path the lord has set for us the sooner you get this inspirational book the sooner you will be ready to face down any obstacle with god's overcoming power don't wait another minute get your copy of overcoming obstacles right now the overcoming obstacles small group study guide is also available

are you tired of not achieving your goals you are not alone many people have the same struggles as you have are you ready to overcome your personal challenges are you looking for secrets that will help you break through the walls that have kept you from succeeding shattering your barriers provides you with a road map to your success start shattering your barriers now if you are still reading the description at this point you probably don't have a whole lot going on in your life or maybe you just like reading about books and not actually reading the books themselves whatever the case feel free to continue browsing when you are ready to read the interior pages and you will be at some point you will recognize that there are some things that you are doing well and other areas that need slight or vast improvement remember even those that are the best in the world in their professions or sports still work on improving themselves

learn how to make a breakthrough in any area of your life today are you tired of making promises to yourself that you just can't keep sick of saying you want a better job more money a better relationship to lose weight or just about anything else but not following through and achieving those goals well you're not alone according to a 2014 university of scranton study only 8% of us who set out to achieve our long term goals actually do so when a goal is new and fresh in our minds it's exciting but when it comes down to it after that initial excitement wears off we fail to make the sacrifices required for achieving our long term hopes and dreams so what gives understand how to end this ceaseless cycle with a breakthrough a breakthrough is described as a sudden advance or a person's first notable success in some area of their lives from finances to health relationships and beyond learn just what it takes to make your own personal or professional breakthroughs today making a breakthrough isn't hard but without first understanding some guiding principles and techniques we can all be a little bit lost in the dark but it doesn't have to be that way in this book you'll learn just what the 8% that do achieve their long term goals know download today breakthrough live an inspired life overcome your obstacles and accomplish your dreams understand how to end the cycle of giving up and stop putting off the life you truly deserve to live you can make a breakthrough today if you apply some proven techniques to your life here's what you'll discover in this book how to understand and overcome your fear of failure how to handle criticism and focus on growth contribution how to identify your core values and ensure they're aligned with your goals how to find your inspiration and stay inspired during the plateaus how to get stay focused without losing your motivation how to stop procrastination dead in its tracks how to overcome obstacles by defining their root causes how to take action and make a breakthrough in any area
