a bold rumination on 1970s west german urban terrorism and its haunting traces in contemporary art and memory

a celebrated journalist finds himself reporting on the savage war in vietnam while in combat with his own network in september 1969 michael maclear the first western television journalist allowed inside north vietnam was in hanoi for major canadian and u s networks he recounted in gripping detail how an entire population had been trained for generations in guerrilla combat his reporting that the north was motivated more by nationalism than marxism was highly controversial later maclear was taken blindfolded to a hanoi prison for captive u s pilots some of whom condemned the war nixon s white house said the canadian reporter was duped and maclear s own network questioned him in those terms on air later the network found reason to dismiss maclear as a foreign correspondent recently maclear returned to vietnam and interviewed surviving key figures from the war in this book he includes startling new information on guerrilla tactics and delivers an impassioned argument for the necessity of journalistic impartiality and integrity

today s independent and digital filmmaking demands a clear guide

fought between 1979 and 1989 the soviet afghan war provided vital combat experience for osama bin laden and his senior lieutenants in al qaeda allowing them to hone their newly acquired skills in guerrilla warfare to later support islamist insurgencies worldwide yet the ruthless al qaeda chief s success depended on the soviet leadership s reluctant prolonging of its military occupation out of fear of leaving afghanistan in hostile hands as relative latecomers to the ferocious afghan frontlines the inexperienced arab fighters benefitted militarily from the combat training unwittingly provided by their soviet foes after skillfully obtaining this command and battle experience by working within the wartime atmosphere bin laden channeled al qaeda s efforts in a global jihadi campaign targeting a second superpower and its allies while allegations of u s support for the arab jihadis have contributed to a popular image of bin laden and al qaeda as c i a creations the historical facts appear to demonstrate that the combat opportunities provided by the soviet occupation forces played a far larger role in transforming them into seasoned guerrilla fighters in contrast to the dozens of previous works on bin laden and al qaeda this book is the first to focus primarily on the soviet afghan war s impact on training the arab fighters from yemen saudi arabia and elsewhere in battle and preparing them to export their guerrilla war to assist their comrades in their native countries as a teaching tool that re examines and clarifies

the impact of bin laden s wartime actions this book will be particularly useful to scholars of history and international relations seeking to acquire and spread new knowledge in the classroom and to better understand the origins of al qaeda s deadly skills and martial resilience it offers an opportunity for today s decision makers to learn from history and avoid creating new generations of bin ladens
